Parents: Are You Energized in the Spirit?

Y.E.S. thrives because of its youth members and parent volunteers. Ways you can be a part of Y.E.S. include the following: sharing your faith with members at Sunday meetings, serving as a chaperone for service/volunteer projects or assisting with fun, social events.

As the school year begins, more detailed information will be given to you for your consideration. Opportunities will be offered as one time commitments to drive/chaperone an event or service project. If you are interested in being more involved, Y.E.S. has options for hands on involvement through planning committees for special events or as an adult coordinator of one of our newly created ministries within our youth group.

Information will follow shortly. Thank you for your consideration and support!

- 2) I will refrain from smoking during my time with Y.E.S.
- 3) I will respect and cooperate with the adult leaders and follow any rules set up for the event.
- 4) I will respect and cooperate with my peers. My actions will reflect consideration for the will of the group.

With this signature, I agree that I have read, understand, and will follow the above. I understand that if my actions reflect otherwise, my participation in the event at hand could be terminated at my own expense.

As the saying goes, "a picture is worth a thousand words." Some pictures taken during Y.E.S. activities and events may be sent to local newspapers, placed on the parish website or used for marketing brochures to spread the good news about our youth group. The website and brochures would not identify individuals. Newspapers request names to be attached to a picture sent in for a press release.

Y.E.S. has created a Facebook group page with privacy settings for security purposes. Photos can be posted and "tagged" with names by youth members (overseen by the youth minister) onto this private site.

If you do **not** wish for your son/daughter's pictures to be published, please check all which apply to your child.
